**SERVICE CONTRACT AWARDED TO SC2**

PEORIA, IL – MAY 27, 2005 – SC2 (formerly Superior Consolidated Industries), a leading provider of contract services to original equipment manufacturers, has been awarded a service contract from Mitsubishi Motors North America to perform Tire and Wheel Assembly and Sequencing tasks in Normal, Illinois.

The transition will take place on July 1<sup>st</sup>, 2005. SC2 will utilize the existing facility at 150 S. Unit Drive in Normal, Illinois with all employees and management staff being retained. “The employees at this facility have long performed excellent service, on time, and with reliable quality. We are excited to continue this tradition and look to add our technology solutions including state-of-the-art warehousing software increased inventory accuracy, efficiency, and speed for best in class service for many years to come,” says SC2 Vice President Matt Martin.

SC2 was founded in 1983 in Tremont by David Schmidgall providing abrasive blasting services to many companies throughout the Central Illinois region. In 1987, SC2 became 100% Employee Owned and remains such today. SC2 has built strong relationships with prestigious customers by providing contract services, warehousing, metal fabrication, and air quality solutions. In 2004 SC2 strengthened its Bloomington / Normal presence through the acquisition of NuAir Corporation which had performed services for Mitsubishi since the early 90’s. SC2 is QS-9000 certified and is committed to Six Sigma methodologies.

SC2 President Kevin McGinty states, “We are excited about the opportunity to further augment our partnership with Mitsubishi and strengthen our competitive advantage in the supply chain services market.”
